Requesting Paid Leave

1. Leave Request Form

Employees must complete the Paid Leave Request Form and submit it to their supervisor for approval. The form should include:

- Employee's name and department
- Type of leave requested
- Start and end dates of the leave
- Reason for the leave

2. Approval Process

Supervisors will review leave requests and approve or deny them based on operational needs. Employees will be notified of the decision within five business days. If the leave

is denied, the supervisor will provide a reason and work with the employee to identify alternative leave options.

3. Recording Leave

Approved leave will be recorded in the employee's personnel file and updated in the company's leave management system. Employees are encouraged to keep track of their leave balances and plan their leave accordingly.

Additional Information

1. Public Holidays

Public holidays are separate from paid leave entitlements. Employees will be granted paid time off on designated public holidays, and these do not count against their annual or other paid leave balances.

2. Leave Without Pay

In exceptional circumstances, employees may request leave without pay if they have exhausted their paid leave entitlements. Such requests will be considered on a case-by-case basis and are subject to approval by the employee's supervisor and Human Resources.

3. Return to Work

Employees returning from leave are required to notify their supervisor at least two weeks before their intended return date. This allows for adequate planning and transition back into their role.

4. Policy Review

This Paid Leave Policy will be reviewed annually to ensure it remains relevant and aligns with current legislation and best practices. Employees will be informed of any updates or changes to the policy.

Conclusion

Our company recognizes the importance of time off for personal well-being and productivity. We are committed to supporting our employees by providing a fair and transparent paid leave policy. Employees are encouraged to familiarize themselves with this policy and reach out to Human Resources for any questions or clarifications.
